ACLS, BLS, PALS, NRP

Electronic copies of ACLS, BLS, PALS & NRP are available from the library website provided you have a library account and password. In-hospital use requires no password.

REGISTERING FOR A LIBRARY ACCOUNT

If you don’t not have an account go to the Library web page and apply for a library account. Scan or fax a copy of your badge. After the library staff sets up your account you will be notified to continue to the next step. Go to: https://library.ccf.org/patroninfo

Follow directions below:

- Type your name - type your badge number. Leave the password box blank here.
- Click GO Screen changes to show two bland password boxes.
- Type password. Must be at least 6-8 characters with both letters and numbers.
- Re-type password
- Click go again
- Screen displays your registration information. Click logout

HOW TO GET TO THE MEDICAL LIBRARY WEBSITE:

On Cleveland Clinic Today page:
1. Hover over Hospitals
2. Go to Hospital Resources column and click Regional Libraries
3. Scroll to Fairview Hospital and click library website
